Oct 14 (Wed Eve) — 5:45pm - 11pm
Nov 11 (Wed Eve) — 5:45pm - 11pm
Dec 9 (Wed Day) — 8am - 1:15pm

ACLS PROVIDER RENEWAL

Thank you for your interest in the Advanced Cardiac Life Support Provider Renewal courses.

Although we do not require proof of CPR certification before registration, you must be proficient in CPR before participating in this course. Your CPR skills will be evaluated during the ACLS clinical cases, so please be familiar with the American Heart Association CPR guidelines.

Successful completion of ACLS does not renew your CPR card.

In an effort to better fulfill our mission to UI Health Care, we have revised our policies. Please read the new course participant eligibility policies carefully and determine your status prior to registration.

\$45 DEPOSIT — RNs, Respiratory Therapists, Physical Therapists, Radiology Technologists

A \$45 deposit is required with registration and will be returned upon course completion and return of materials in good condition.

Nursing CEU credit is available for \$18. (Separate check from course deposit, payable to "EMSLRC").

\$45 REDUCED FEE — All physicians, physician assistants, advanced registered nurse practitioners, dentists, UI CCOM Students and others.

A \$45 fee will be required with completed registration. Participant retains course materials. Nursing continuing education credit is included.

UI HEALTH CARE RESIDENTS /FELLOWS - Different registration form required. See your department residency coordinator.

NON-UI HEALTH CARE STAFF - Different registration form required. See "ACLS Renewal for Non-UI Staff" details at www.uihealthcare.com/emslrc

Advanced Cardiac Life Support Provider Renewal — UIHC Staff

Registration

Please complete the enclosed registration, sign and return to the EMSLRC with payment as soon as possible. Space is limited and available FIRST COME, FIRST SERVED.

WE ARE UNABLE TO ACCEPT PHONE REGISTRATIONS.

All registrations must be postmarked or FAXED no later than six (6) business days before the first day of class.

The deposit or fee ensures your enrollment in the course. Those submitting a deposit only will receive a refund upon completion of the course and return of the materials in good condition. Those participants paying a fee may keep the materials.

Materials for the course may be obtained from the EMSLRC approximately 4 weeks prior to the course. Participants will receive e-mail notification when course materials are ready to be picked up. Course materials must be picked up in the EMSLRC at least 14 days prior to start of the course or you will forfeit your enrollment and deposit/fee.

Nursing CEU credit is available for an additional \$18 fee. (Separate check from course deposit.) CEU fee is due at the completion of the course.

Cancellation Policy

THE EMSLRC RETAINS YOUR DEPOSIT IF YOU DO NOT ATTEND OR NOTIFY US OF YOUR CANCELLATION 14 DAYS IN ADVANCE OF THE COURSE.

If materials have already been checked out and cancellation occurs, they must be returned (in the original packaging) to the EMSLRC within 7 days from the date of cancellation or your deposit will be forfeited.

We are unable to transfer registrations to future courses.

Continuing Education Credits

CEU credits are optional and will be granted by the University of Iowa Hospitals and Clinics Department of Nursing (IBN Approved Provider #34). Participants must attend the entire program to receive credit. The CEU credit fee is \$18 for those paying deposit only.

0.54 CEUs awarded for the Provider Renewal

Please direct any questions concerning nursing credits to the Nursing Clinical Education Center at 319.356.4304.

The EMSLRC awards 4 CEHs for qualifying EMS providers.

Advanced Cardiac Life Support Provider Renewal — UIHC Staff

Course Pre-requisites

Students are required to study materials and complete a pre-course written exam. They must:

- Have BCLS for Healthcare providers, basic airway management and IV skills
- Know basic pharmacology
- Be able to recognize basic ECGs as well as signs of acute injury and ischemia on a 12-Lead ECG

Educational Objectives

Upon completion of this program, each participant will be able to:

- 1) Demonstrate knowledge and skills in the management of the first 10 minutes of ventricular fibrillation arrest, including primary and secondary ABCD survey of cardiac arrest and post-resuscitation care.
- 2) Perform and demonstrate via case study, the core knowledge and skills necessary to manage the following scenarios within a team:
 - respiratory
 - pulseless ventricular fibrillation/ventricular tachycardia with AED use and refractory to AED
 - pulseless electrical activity
 - asystole
 - acute coronary syndromes
 - bradycardia
 - stable and unstable tachycardia
 - acute ischemic stroke
- 3) Demonstrate via case study, the team leading skills necessary to manage ventricular fibrillation, pulseless electrical activity, and asystole cardiac arrest situations.

Faculty

The Advanced Cardiac Life Support Renewal courses are taught by qualified ACLS instructors approved by the American Heart Association.

Course Location

The Advanced Cardiac Life Support Renewal courses are conducted in the University of Iowa Hospitals and Clinics, EMSLRC, 6-South, GH. 319.356.2597

The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, national origin, color, creed, religion, sex, age, disability, veteran status, sexual orientation, gender identity, or associational preference. The University also affirms its commitment to providing equal opportunities and equal access to University facilities. For additional information contact the Office of Equal Opportunity and Diversity, (319) 335-0705.

Individuals with disabilities are encouraged to attend all University of Iowa sponsored events. If you are a person with a disability who requires an accommodation in order to participate in this program, please contact the EMSLRC in advance at (319) 356-2597.
