

2009 PALS Renewal Course Registration

for
UI Health Care Staff

EMS Learning Resources Center
6 South, GH

December 16, 2009 (Wednesday)
8am - 1:30pm DAY COURSE

PALS RENEWAL

Thank you for your interest in the Pediatric Advanced Life Support (PALS) Provider Renewal courses.

Although we do not require proof of CPR certification before registration, you must be proficient in CPR before participating in this course. Your CPR skills will be evaluated during the PALS clinical cases, so please be familiar with the American Heart Association CPR guidelines.

Successful completion of PALS Renewal does not renew your CPR card.

Please read the course participant eligibility policies carefully and determine your status prior to registration.

\$45 DEPOSIT — RNs, Respiratory Therapists, Physical Therapists, Radiology Technologists

A \$45 deposit is required with registration and will be returned upon course completion and return of materials in good condition.

Nursing CEU credit is available for \$18 to those paying a deposit only. (Separate check from course deposit, payable to "EMSLRC").

\$45 REDUCED FEE — All physicians, physician assistants, advanced registered nurse practitioners, dentists, UI CCOM students and others.

A \$45 fee will be required with completed registration. Participant retains course materials. Nursing CEU and EMS provider CEH credit fees are included.

UI HEALTH CARE RESIDENTS /FELLOWS - Different registration form required. See your department residency coordinator.

NON-UI HEALTH CARE STAFF - Different registration form required. See "PALS Renewal for Non-UI Staff" details at www.uihealthcare.com/emslrc

Pediatric Advanced Life Support Renewal — UI Staff

Registration

Please complete the enclosed registration, sign and return to the EMSLRC with payment as soon as possible. Space is limited and available FIRST COME, FIRST SERVED.

WE ARE UNABLE TO ACCEPT PHONE REGISTRATIONS.

All registrations must be postmarked or FAXED no later than six (6) business days before the first day of class.

A \$45 deposit or fee ensures your enrollment in the course. Those submitting a deposit only will receive a refund upon completion of the course and return of the materials in good condition. Those participants paying a fee may keep the materials.

THE EMSLRC RETAINS YOUR DEPOSIT/FEE IF YOU DO NOT ATTEND OR NOTIFY US OF YOUR CANCELLATION 14 DAYS IN ADVANCE OF THE COURSE.

Materials for the course may be obtained from the EMSLRC approximately 4 weeks prior to the course. Participants will receive e-mail notification when course materials are ready to be picked up. Course materials must be picked up in the EMSLRC at least 14 days prior to start of the course or you will forfeit your enrollment and deposit/fee.

Nursing CEU credit is available for an additional \$18 fee. (Separate check from course deposit.) CEU fee is due at the completion of the course.

Cancellation Policy

THE EMSLRC RETAINS YOUR DEPOSIT IF YOU DO NOT ATTEND OR NOTIFY US OF YOUR CANCELLATION 14 DAYS IN ADVANCE OF THE COURSE.

If materials have already been checked out and cancellation occurs, they must be returned (in the original packaging) to the EMSLRC within seven (7) days from the date of cancellation or your deposit will be forfeited.

Continuing Education Credits

CEU credits are optional and will be granted by the University of Iowa Hospitals and Clinics Department of Nursing (IBN Approved Provider #34). Participants must attend the entire program to receive credit.

0.44 CEUs awarded for the PALS Provider Renewal Course.

Please direct any questions concerning nursing credits to the Nursing Clinical Education Center at 319.356.4304.

The EMSLRC awards 4 CEHS for qualifying EMS providers.

Pediatric Advanced Life Support Renewal — UI Staff

Course Pre-requisites

Students are required to study materials and complete a pre-course written exam. They must:

- Have BCLS for Healthcare providers, basic airway management and IV skills
- Know basic pharmacology
- Be able to recognize basic ECGs

Educational Objectives

Upon completion of this program, each participant will be able to:

- 1) Recognize the signs and symptoms of impending cardiac arrest in children and perform a rapid cardiopulmonary assessment.
- 2) Discuss common fluids and emergency care drugs used in the prevention and treatment of cardiopulmonary failure and arrest in children.
- 3) Perform basic life support and demonstrate bag-valve-mask ventilation procedures.
- 4) Discuss, demonstrate and practice using airway adjuncts for pediatric patients.
- 5) Discuss vascular access in children and demonstrate intraosseous line placement.
- 6) Discuss and demonstrate cardiac rhythm recognition in children.
- 7) Discuss and manage pediatric patients in shock, respiratory failure and cardiopulmonary arrest.
- 8) Discuss the principles of the primary survey and resuscitation of the pediatric trauma patient with emphasis on shock management.
