November 10 (Day) — 8am - 1:15pm

December 8 (Eve) — 5:45pm - 11pm

Thank you for your interest in the Advanced Cardiac Life Support (ACLS) Renewal courses.

In an effort to better fulfill our mission to UI Health Care, we have revised our policies. Please read the new course participant eligibility policies carefully and determine your status prior to registration.

UI HEALTH CARE RESIDENTS /FELLOWS

(ACLS required for job) -

NO FEE

DEPOSIT REQUIRED \$45

VOUCHER REQUIRED

Certain residency programs require ACLS training; residency coordinators now have a specific number of EMSLRC course vouchers available for these classes. Resident and Fellows required to obtain ACLS must follow the registration process outlined below.

WE ARE UNABLE TO ACCEPT PHONE REGISTRATIONS.

- **Complete the entire registration and indicate the preferred course date.**
- **Obtain an EMSLRC voucher from your residency coordinator.**
- **Submit to EMSLRC:**
 - **Deposit - \$45. (Check, credit card or department requisition.) Will be returned upon completion of the course and return of the materials.**
 - **Registration form**
 - **EMSLRC voucher**

The EMSLRC will notify you by email when you are accepted into a course and when materials will be available for pick up in the EMSLRC. (Materials are not mailed.)

OTHER UI HEALTH CARE PROVIDERS

Other UI Health Care providers may also take ACLS. A \$45 fee is required with completed "ACLS Renewal for UI Staff" registration form found at www.uihealth-care.com/emslrc. Participant retains course materials.

Advanced Cardiac Life Support Renewal — Residents and Fellows

Registration

Please complete the enclosed registration, sign and return to the EMSLRC with payment as soon as possible. Space is limited and available FIRST COME, FIRST SERVED.

WE ARE UNABLE TO ACCEPT PHONE REGISTRATIONS.

All registrations must be postmarked or FAXED no later than six (6) business days before the first day of class.

The \$45 deposit or fee ensures your enrollment in the course. Those submitting a deposit only will receive a refund upon completion of the course and return of the materials in good condition. Those participants paying a fee may keep the materials.

THE EMSLRC RETAINS YOUR DEPOSIT/FEE IF YOU DO NOT ATTEND OR NOTIFY US OF YOUR CANCELLATION 14 DAYS IN ADVANCE OF THE COURSE.

Materials for the course may be obtained from the EMSLRC approximately four (4) weeks prior to the course. Participants will receive e-mail notification when course materials are ready to be picked up.

Course materials must be picked up in the EMSLRC at least 14 days prior to start of the course or you will forfeit your enrollment and deposit/fee.

Cancellation Policy

THE EMSLRC RETAINS YOUR DEPOSIT IF YOU DO NOT ATTEND OR NOTIFY US OF YOUR CANCELLATION 14 DAYS IN ADVANCE OF THE COURSE.

If materials have already been checked out and cancellation occurs, they must be returned (in the original packaging) to the EMSLRC within seven (7) days from the date of cancellation or your deposit will be forfeited.

We are unable to transfer registrations to future courses.

Advanced Cardiac Life Support Renewal — Residents and Fellows

Course Pre-requisites

Students are required to study materials and complete a pre-course written exam. They must:

- Have BCLS for Healthcare providers, basic airway management and IV skills
- Know basic pharmacology
- Be able to recognize basic ECGs as well as signs of acute injury and ischemia on a 12-Lead ECG

Educational Objectives

Upon completion of this program, each participant will be able to:

- 1) Demonstrate knowledge and skills in the management of the first 10 minutes of ventricular fibrillation arrest, including primary and secondary ABCD survey of cardiac arrest and post-resuscitation care.
- 2) Perform and demonstrate via case study, the core knowledge and skills necessary to manage the following scenarios within a team:
 - respiratory
 - pulseless ventricular fibrillation/ventricular tachycardia with AED use and refractory to AED
 - pulseless electrical activity
 - asystole
 - acute coronary syndromes
 - bradycardia
 - stable and unstable tachycardia
 - acute ischemic stroke
- 3) Demonstrate via case study, the team leading skills necessary to manage ventricular fibrillation, pulseless electrical activity, and asystole cardiac arrest situations.

Faculty

The Advanced Cardiac Life Support Renewal course is taught by qualified ACLS instructors approved by the American Heart Association.

Course Location

The Advanced Cardiac Life Support Renewal courses are conducted in the University of Iowa Hospitals and Clinics, EMSLRC, 6-South, GH. 319.356.2597

The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, national origin, color, creed, religion, sex, age, disability, veteran status, sexual orientation, gender identity, or associational preference. The University also affirms its commitment to providing equal opportunities and equal access to University facilities. For additional information contact the Office of Equal Opportunity and Diversity, (319) 335-0705.

Individuals with disabilities are encouraged to attend all University of Iowa sponsored events. If you are a person with a disability who requires an accommodation in order to participate in this program, please contact the EMSLRC in advance at (319) 356-2597.
