

University of Iowa Hospitals and Clinics
GRADUATE MEDICAL EDUCATION EVALUATION REPORT

March 1, 2003

In accord with the "Policy on Evaluation and Advancement of Residents" adopted by the University Hospital Advisory Committee on June 16, 1982, the _____ training program has conducted another evaluation of each of the following house staff members whose status was not indicated in the February reports, using the criteria and procedures submitted to the House Staff Affairs Office in 1982, and a written assessment has been reviewed with each of the house staff members. I recommend the following residents for advancement:

NAME

and the following house staff members for certification of satisfactory completion of training:

NAME

I reaffirm the other recommendations made in my February report, except for the following changes (if none, write "none"):

<u>NAME</u>	March <u>RECOMMENDATION</u>	Modified <u>RECOMMENDATION</u>
