

## William L. McGinnis M.D., FACRO

### I. EDUCATIONAL AND PROFESSIONAL HISTORY

#### A.

##### Higher Education

1965-1969 B.S. Iowa State University (Zoology)  
1969-1973 M.D. University of Iowa

##### Postgraduate Medical Education

1973-1974 Internship Broadlawns Hospital - Des Moines, Iowa  
1974-1977 Residency University of Iowa

##### Certification

American Board of Radiology (Therapeutic) 6/11/1977

##### Licensure

Iowa 19342

#### B. Professional and Academic Positions

##### Professional

1992-1996 Chairman- Radiation Oncology, North Central Cancer Treatment Group  
NCCTG Radiation Oncology Membership Subcommittee  
Performed 4 Site Visits  
Study Co-Chairman NCCTG Study # 82-24-51  
Study Co-Chairman NCCTG Study # 86-72-52  
Study Co-Chairman NCCTG Study # 89-25-51  
Study Co-Chairman NCCTG Study # 88-72-52  
Study Co-Chairman NCCTG Study # 90-24-51  
Study Co-Chairman NCCTG Study # 94-24-52  
American College of Radiology Patterns of Care Study Surveyor  
American College of Radiology Practice Accreditation Surveyor  
President- Iowa Oncology Research Association  
American Cancer Society Service and Rehab Committee

Developed ACS Guest Room Program  
in Des Moines

1993-1996	Chairman- Radiation Safety Committee IMMC Chairman- Institutional Review Board IMMC Chairman- Des Moines Citywide IRB Task Force
1996-1998 1994-2000	Chairman- Des Moines Hospitals Joint IRB Hospice of Central Iowa Board Member The Iowa Clinic- Finance Committee The Iowa Clinic- Risk Management Committee Managing Partner South Iowa Radiation Oncology Center
1996-2002	Member- Des Moines Hospitals Joint IRB Past Chairman- Cancer Committee IMMC

Academic

1977-1978	Assistant Professor, Dept of Radiology, University of Iowa
1978-1988	Staff Physician, Iowa Methodist Medical Center, Des Moines, Iowa
1978-Present 1988-Present	Clinical Instructor, University of Iowa Medical Director Radiation Oncology, Iowa Methodist Medical Center, Des Moines, Iowa

C. Honors

2000	Fellowship – American College of Radiation Oncology
------	---

II. TEACHING

- A. Radiation Oncology Residents and Radiation Technology Students at University of Iowa 1977-1978  
Medical and Surgical Resident's as requested during their Medical Oncology rotation at Iowa Methodist Medical Center 1978-2008  
3 residents spent a 1 month rotation in our department  
1 Des Moines University PA student spent 1 month
- B. Tumor board Moderator since 1978 at Iowa Methodist Medical Center
- C. Multiple talks to conferences including State radiation therapist society, ISTRO, IMMC continuing education, NCCTG, Rectal Cancer Presentation at U of Iowa March 27, 1980

### III. Scholarship

#### Peer reviewed publications
