

2009 Class Dates:

February 12 & 13, 2009

May 14 & 15, 2009

September 17 & 18, 2009

November 5 & 6, 2009

All sessions will be held on Thursday/Friday.

Location:

University of Iowa Hospitals and Clinics

Nursing Clinical Education Center,

4 West General Hospital, Iowa City, IA

Intended Audience: Licensed Nurses

PURPOSE

This two-day program is designed to enhance the nurse's understanding of chemotherapy and care of patients receiving chemotherapy. The content will include the principles of cancer chemotherapy, the administration of chemotherapy, physiological and psychosocial effects of chemotherapy and the nursing management of the patient receiving chemotherapy.

FEES/CREDIT

WORKSHOP FEE: \$200 (includes workshop materials, CEU credits, and breaks for the two days). A \$20 nonrefundable late fee will be assessed for all registrations postmarked after the deadline, which is 3 weeks prior to the first day of each session.

NURSING CREDITS:

13.5 contact hours or 1.35 CEUs will be granted by University of Iowa Hospitals and Clinics Department of Nursing (IBN Approved Provider #34). Participants must attend the entire session each day to receive full credit.

Schedule/speakers subject to change.

Faculty are Department of Nursing Services and Patient Care, Medical Surgical Services staff unless otherwise indicated.

This workshop has been developed by the Medical Surgical Services Nursing Division at UI Hospitals and Clinics.

Visit our web site at <http://www.uihealthcare.com/depts/nursing/index.html> and click on "Continuing Education" under Nursing Clinical Education Center.

OBJECTIVES

1. Describe the basic cellular kinetics of tumor growth, the rationale in combination chemotherapy and recent advances in treatment modalities.
2. List the classifications and categories of antineoplastic drugs and the mechanisms of action.
3. List common early and late side effects and toxicities associated with chemotherapy.
4. Describe methods to manage side effects of chemotherapy.
5. Identify acute, local or systemic reactions associated with a given drug and measures to be taken should these reactions occur.
6. Identify considerations that should be taken when performing venipuncture and vein selection.
7. Identify the signs and symptoms of extravasation of a vesicant and outline the nursing measures to minimize tissue damage.
8. Describe safety precautions recommended to minimize exposure of healthcare personnel, the patient, the family and the environment to the potentially harmful effects of chemotherapy.
9. Discuss clinical trials for testing new anti-cancer drugs.
10. Discuss the psychosocial implications of treatment with chemotherapy and the nursing interventions to help the patient and their family cope with the disease and treatment.
11. Describe the process of effective patient and family teaching for patients receiving chemotherapy.
12. Discuss internet use, advantages and pitfalls for nurses and patients.
13. Discuss concerns and recommendations related to chemotherapy as expressed by cancer survivors.

General Information

Return the completed registration form and applicable fees **three** weeks prior to the workshop. CONFIRMATION WILL NOT BE MAILED. Maps, housing information and receipts will be provided upon request.

Late registrations will be accepted if space allows. A \$20 nonrefundable late fee will be assessed for all registrations postmarked after the deadline.

Due to fluctuations in room temperature, we recommend you dress accordingly for your personal comfort. The Nursing Clinical Education Center is located on 4 West, General Hospital in UI Hospitals and Clinics (elevator B to 4th floor, west at compass on floor). Maps of the Hospital and Iowa City area can be obtained on the web at <http://www.uihealthcare.com/infofor/patients/howtogether.html>.

PARKING: Parking is available in Hospital Parking Ramps #1, #2, or #3. The fee for parking in the Hospital ramps is \$15.00 if over seven hours. Reduced parking passes (\$7.20 for 8 hours) will be available for purchase at registration on the first day of this program. Checks or exact change required to purchase parking passes. Rates subject to change.

Participants should enter the Hospital through the main entrance and inquire at the Information Desk for directions to the classroom.

MAKE CHECK PAYABLE TO:
 UI Hospitals and Clinics

MAIL TO: Karen K. Marek, Program Associate, UI Hospitals and Clinics Department of Nursing, 200 Hawkins Drive, Iowa City, IA 52242-1009

REFUNDS: Full refund (less the \$20 late fee) if notified 3 days prior to the program. Substitutions are permitted at any time.

The UI Hospitals and Clinics Department of Nursing's continuing education programs are developed under the supervision of Lou Ann Montgomery, PhD, RN-BC; Associate Director, Nursing Education.

Questions concerning continuing education programs may be directed to the Nursing Clinical Education Center at 319-356-4304.

Individuals with disabilities are encouraged to attend all University of Iowa-sponsored events. If you are a person with a disability who requires an accommodation in order to participate in this program, please contact the Department of Nursing in advance at (319)356-4304.

The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, national origin, color, creed, religion, sex, age, disability, veteran status, sexual orientation, gender identity, or associational preference. The University also affirms its commitment to providing equal opportunities and equal access to University facilities. For additional information contact the Office of Equal Opportunity and Diversity, (319) 335-0705.
