

Training in Recognition and Reporting of Child and Dependent Adult Abuse

A 2-hour videotape for mandatory reporters in the "Recognition and Reporting of Child and Dependent Adult Abuse" is available for \$299 from the University of Iowa Hospitals and Clinics Department of Social Service.

The Iowa Department of Public Health's Abuse Education Review Panel has approved this videotape. Watching the videotape fulfills the 2 hours of mandatory reporter training required by Iowa law.

Order Form:

Please send the mandatory reporter videotape, "Recognition and Reporting of Child and Dependent Adult Abuse" to me. Enclosed is a check for \$299.
